## RISK

Safety is paramount in everything we do. Every player is responsible to keep themselves safe. We provide protective eyewear that all players must use – if eyewear is not used then we have the right to remove players from the game. We politely ask for adult supervision to ensure this is maintained when it is a children's party booked.

Just Nerf games are a high action game which carries related risks. We are not responsible for any injury sustained by a player during the game.

We are not responsible for any accidents causing damage to personal clothing or equipment.

Please do not bring your own Nerf guns to a party – all of our equipment is safety checked on every session.

Spectators are encouraged at Just Nerf, however you attend at your own risk. We are not responsible for any injury caused while spectating, either directly related to the game or otherwise. Spectators are strictly not to enter the field of play while a game is in progress.

All players must sign a disclaimer form before playing Just Nerf.

Players under the age of 16 must get the disclaimer signed by a parent or guardian.

A thorough risk assessment has been carried out on all Just Nerf games, and we are able to provide a low level of risk as long as all participants stick by the rules!

## EQUIPMENT

All equipment is safety checked before each party session.

Each player is to take care of their own Nerf Gun and safety equipment.

If damage occurs to any hired NERF gun due to lack of care of gun or equipment we reserve the right to invoice/charge the cost of replacing the item due to deliberate misuse of equipment that results in partial or full damage of such items.

Any player found misusing or damaging the equipment will be requested to stand down from the game for a period of time determined by the instructor. (Parents/guardians will be consulted about this at the time of incident)

Please respect other players and their property, including our equipment.
